Homework for Ms. Emma's Class

Subject to change

Dear Families of Class 302,

In order to streamline the homework process, I have made a decision. The homework packet and its contents (reading logs, reading responses), as well as the word work homework for the week, is due back on Friday. Since students will not have word work homework over the weekend, they can leave their notebook to be checked then. Other loose assignments that are handed out throughout the week (math worksheets, vocabulary activities), should be returned the following day. Thank you for your help, and if you have any questions, please feel free to email me at epreston@schools.nyc.gov or text me via the Remind App (information below).

Best,

Ms. Emma
